COMPANY OVERVIEW

ABOUT US

MODON AL ARABIA CONTRACTING (formerly known as Salem Mehdi Balharith Contracting (SMB), is situated in Ras Tanura Eastern Province and with corporate office in Al Jubail, SAUDI ARABIA with a strong reputation for delivering an outstanding service in Contracting, integrated Facilities Management, Heavy Equipment rental services, Scaffolding services, Industrial support services and technical Services Saudi Arabia wide.

We identify the customers' requirement and provide them with customized solutions, offering services to the clients in Civil, Mechanical, Electrical arena. We are also excelling in satisfying the HR needs of others in the country with our Support Services wing. Both skilled and the technical work force can be provided by us. The management and the HR division of the company are keenly concerned with the same. Our Equipment rental division provides vast types of equipment including cranes, boom trucks, dozers, loaders, excavators, backhoes, skid steers, forklifts etc.

We, along with our sister concerns, Siraj Scaffolding Co, Mohammed M. Balharith Contracting are fine tuned to undertake any big sized as well as small sized projects, delivering the best quality services.

Quality, Safety,
Reliability.
All the time.

A STATEMENT FROM THE LEADER

FOUNDER'S MESSAGE

The idea for MODON AL ARABIA Contracting came about 20 years ago during my quest to provide reliable and efficient contracting services in SAUDI ARABIA. I truly believe that every business should be focused on what will benefit the customer and this is why I am personally committed perfecting our services and encouraging innovation within the team and our clients. It's that attention to a personalized service that has grown MODON AL ARABIA from a small organization to a national corporation. We provide our services as Kingdom wide, yet I still make it my mission to provide unparalleled customer service to our supporting patrons.

MODON AL ARABIA Contracting stands firm in its values. Integrity, Honesty, Excellence and Mutual respect drive us forward and will continue to define our organization. Through our rapid success, we've been able to continually increase our team in number and expertise and serve more customers since our humble beginnings. It makes me proud how versatile our capabilities are and our team can serve small, medium and large size projects in SAUDI ARABIA.

Finally, I'd like to personally thank you for taking the time to explore MODON AL ARABIA Services and all that we stand for. We're proud of our achievements but what keeps us going is our overwhelmingly positive client feedback.

President
MODON AL ARABIA

VISION MISSION

OUR VISION

Our vision is to be the region's leading Contracting Company and to be our clients' first choice in construction, heavy equipment rental, project support services, scaffolding services, IT services and facilities management - structured for success, we maintain, manage, reduce cost and allocate resources efficiently for your assets with a sustainable approach.

OUR VALUES

Our people are at the frontline of our priority and together we created values that are built to outperform in our role in the contracting industry.

- Excellence & Reliability
- Accountability & Agility
- Integrity
- Social Responsibility
- People Centered

OUR MISSION

- Clients to benefit from cost-effective options, maintenance support, and the flexibility to scale their equipment requirements based on project demands.
- Our project support service aims to enhance the overall project management process and address any challenges that may arise.
- Our experienced scaffolding team ensures timely setup and dismantling, adhering to the highest safety standards.
- An innovative team of highly trained and skilled professionals whose motto is "Safety First"
- Consolidation, centralization and maintenance of facilities to reduce costs.
- An environmentally aware and responsible team you can entrust for today and the future
- To provide a tailor-made solution for small to large scale projects.

"Our mission is to provide the highest level of information and professional services for members and their clients worldwide"

OUR SELECTION PROCESS

Our list of satisfied customers ranges from large industrial manufacturers to small and medium businesses organizations. We consistently deliver the benefits of competitive pricing, high-quality workmanship, responsive turnaround time and flexibility of tailored services for specific sector-based companies.

1

Phone Screening:

We conduct an initial phone screening interview to determine employment eligibility. The screening includes a brief review of candidate's background and a list of questions designed to determine if he/ she is a viable candidate for the position.

2

Skill Based Testing:

The main principle behind a skill-based interview is to check the candidate's past work behavior and to see if it is an accurate way to predict how he/she will perform in future jobs.

3

Face-To-Face Discussion:

The final round consists of an in-depth discussion with the candidate and to see if he is professionally fit for the organization.
